## **WEB SITE**

If you haven't been up on the CVA web site, give it a try. Hal has been working since the last reunion to get it perfected and has just about accomplished the task. Well done to Hal. If you see the need for changes let Hal know at the reunion and he can take care of it.

## **Past Reunion**

If you didn't make the 2016 reunion in Pigeon Forge you really missed a good one. As those that were there know, Jim McCarter and Carol did almost all the work getting it set up. What a great job they did. Jim, however, lost his battle with cancer on January 24<sup>th</sup>.

He was my greatest friend and I know I will miss him as those of you who knew him and attend the reunions will also. My love and prayers go out to the family.

## **USS CLAMAGORE**

I am getting mixed and constantly changing news on the future of

**the boat. It was almost confirmed that she was going to be a reef off the coast of South Florida but I heard that they cannot raise the funds to accomplish this. There have been several letters posted in the Charleston newspaper trying to persuade those in power in South Carolina to keep her there. Maybe we can get a good update when we get to Patriots Point.**

**Thanks to Don Ulmer, this link will give the latest on the USS Clamagore: [http://www.postandcourier.com/business/clamagore-submarine-likely-to-remain-open-at-patriots-point-for/article\\_99406696-0b58-11e7-99d0-f3ed3f77bfc9.html?utm\\_medium=social&utm\\_source=email&utm\\_campaign=user-share](http://www.postandcourier.com/business/clamagore-submarine-likely-to-remain-open-at-patriots-point-for/article_99406696-0b58-11e7-99d0-f3ed3f77bfc9.html?utm_medium=social&utm_source=email&utm_campaign=user-share)**

Let's hope Patriots Point wises up and comes up with a good restoration plan that will allow her to remain there indefinitely.

**Hope to see you all in Charleston. Once again please return the schedule with the number attending each function along with your check so we will have an idea how many to plan for.**
